1. Parents/spectators should remember that the goal of summer swim league is: TO SUPPORT CHILDHOOD GROWTH AND DEVELOPMENT THROUGH SWIMMING~ the fundamental techniques will be emphasized, with focus on sportsmanship, teamwork and having fun!
2. Parents/spectators should keep in perspective what Strongsville's swim league is about~ through sports, a child can experience attitudes which can help shape a happy, productive and well-adjusted life. By creating a healthy environment on the team, ALL CHILDREN CAN BE WINNERS, regardless of the won-lost record.
3. Our children learn from what they observe~ let your behavior 'SET THE EXAMPLE' for our swimmers!
4. Parents/spectators should remember they are present to support the children, not to draw attention to themselves.
5. Parents/spectators should remember that coaches and officials are trying to help our children and are qualified in swimming. Unless they are invited to take an active part in coaching, should not complain/offer advice from the deck/gallery.
6. The official is in complete charge of the meeting and for the sake of the swimmers, his/her decision must be respected. If there is a complaint, it must be brought to your team President who will then take it to the SSL President if further action is needed.
7. Parents/spectators who attend swim meets should promote well being and cheer for a job well done, regardless of which team the child is swimming for.
8. Parents and swimmers will respect the decisions of the coaches and recognize that they have many requirements they must meet for the good of the team. (For example: swimmers may be asked to swim a stroke or be a part of a relay that they do not feel is to their strength; this is not a punishment but done so the team does not have to forfeit a race. It may also be because the coach sees potential in that area and is making adjustments so the swimmer may improve.)
